# scandomestic

White goods for households and professionals

## 2024

# Welcome

Scandomestic is a young company employing staff with a long experience in commercial and household appliances.

Scandomestic imports, stocks and distributes commercial and household appliances, and has customers in all European markets as well as a number of overseas markets.

Our production takes place in close cooperation with our customers. We have direct contact to our customers and react quickly to changes in market trends. Our sales staff possess considerable market knowledge and we wish to serve our customers in an atmosphere of flexibility, proficiency and credibility.

In addition to standard appliances we aim to be up front with new trends and ideas in order to be an attractive partner for existing and potentially new customers.

Scandomestic is located in the middle of Jutland in Denmark with easy access to ports and international roads.

In order to fulfil customer requirements, we have constantly 30-35,000 units in stock which ensures quick and efficient deliveries.

Scandomestic uses the brand names Scandomestic and ScanCool.

Scandomestic - a cool flexible partner.

# Decoration

Scandomestic has many years of experience in branding commercial refrigerators and freezers

## Here's how we can help;

Scandomestic can offer decoration of your products from 1 piece and upwards.

Decoration is done with either 0.5 mm wrap, on specific products, or as white vinyl adhesive.

Printing is done with CMYK colours on professional large format printers.

We do not have the option to print PANTONE colors.

## File specifications for decoration:

- Finished printable PDF-files with 5 mm extra design for cropping incl. crop marks.
- CMYK Colours.
- Minimum 100 dpi if the file contains photos.
- Made to scale (scale 1:1) according to our design forms, which can be downloaded from our website.
