Noise level, dB(A)	39
Product dimensions, HxWxD, mm	865 x 295 x 561
Internal light	1 Horizontal LED
EAN code	5704704015111

- **Stylish frameless black glass door**
- **Curved black stainless handle**
- **One temperature zone**
- **Ventilated anti-vibration cooling system**
- **Bech wooden shelves**
- **Digital controller with temperature display**
- **Low noise and vibration**
- **Freestanding and build-in model**

SV 19 B is both a freestanding and build-in model. The wine cabinet has one temperature zone and can be adjusted between 5°C – 18°C. With 5 pull-out shelves + 1 shelf in beech wood it can hold 18 bottles. A fine cabinet for wine storage.

The cabinet has a timeless design. The black frameless door and the interior light give the cabinet an exclusive look. Right-hinged door with option for door reversing gives you the flexibility to place the wine cabinet anywhere in the room.
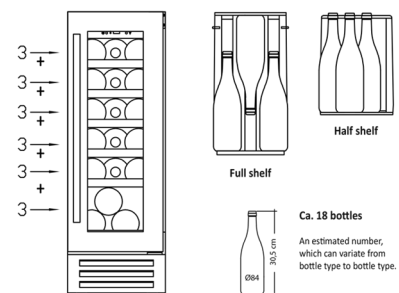

1 horizontal LED light provides a good light and represents the wine bottles nicely. The cabinet has an intelligent air circulation system, that ensures perfectly ventilated, anti-vibration cooling throughout the entire cabinet.

SV 19 B has UV-glass and is electronically controlled. The digital control panel makes it easier to see and adjust the temperature in the cabinet.
