# Scoop Ice Freezers

## General features

- Exceptionally energy-efficient models
- Curved glass sneeze guard for hygienic customer-facing presentation
- Sliding glass lids with integrated lock for secure overnight storage
- Internal LED lighting and front LED branding strip for high visibility
- Robust castors (2 with brake) for mobility and stability
- Static cooling system – ideal for stable temperature and silent operation
- Perfect for branding and impulse sales in cafés, kiosks, and events

## Built to Perform – and Promote

This scoop ice cream freezer features a robust cabinet designed for daily commercial use.

It is equipped with strong castors, making it easy to move and position, even when fully loaded.

The side panels offer additional space for branding, providing excellent visibility and promotional opportunities from multiple angles

## Additional Storage

The freezer includes a compartment that provides additional storage space for ice cream, equipped with a strong handle for easy access.

This is ideal for quick refilling during the day, ensuring continuous service without the need to leave the sales area.

## Fits Napoli Standard 5L Pans

Scoop ice freezers are built for Napoli 5L standard pans, ensuring full compatibility with industry norms.

Models are available in 4, 6, 9, or 12-pan setups – perfect for everything from small kiosks to full-size gelato counters.
